Fire, Impact and Explosion Rating

The Schwab Series 2000 vertical file has met Underwriters' Laboratories stringent requirements for the classification of 'Record Protection Equipment.' This includes a test for fire-resistance in external temperatures exceeding 1700°F for one hour, a 2000°F explosion hazard test as well as a test to withstand the impact of a 30 ft. drop.

Insulation

Only Schwab's premium Insulite™ insulating composite material, in conjunction with superior manufacturing processes provides unparalleled protection against fire. Insulite™, which is poured into the cavity between the steel outer wrapper, and the individual inner steel drawer jackets enables the Schwab design to maintain the same protection with less weight and wall thickness than competing brands.

Drawer Suspensions

Suspensions are sturdy and free-rolling, encased by a supportive outer track. This rugged suspension cradles each drawer allowing for smooth operation over the life of the file.

Drawer Bodies

Each Schwab vertical drawer body allows for the flexibility of accommodating A-2, Folio, Letter, or Legal Filing, without the necessity or expense of additional parts or accessories.

Drawer Heads

Drawer Heads are formed out of a single piece of steel, interlocked and welded at the corners, then poured with our premium Insulite™ insulation. The Schwab design, with interlocking drawer joints where the drawer head, the outer wrapper and the steel inner drawer vault meet, provides unsurpassed protection from fire.

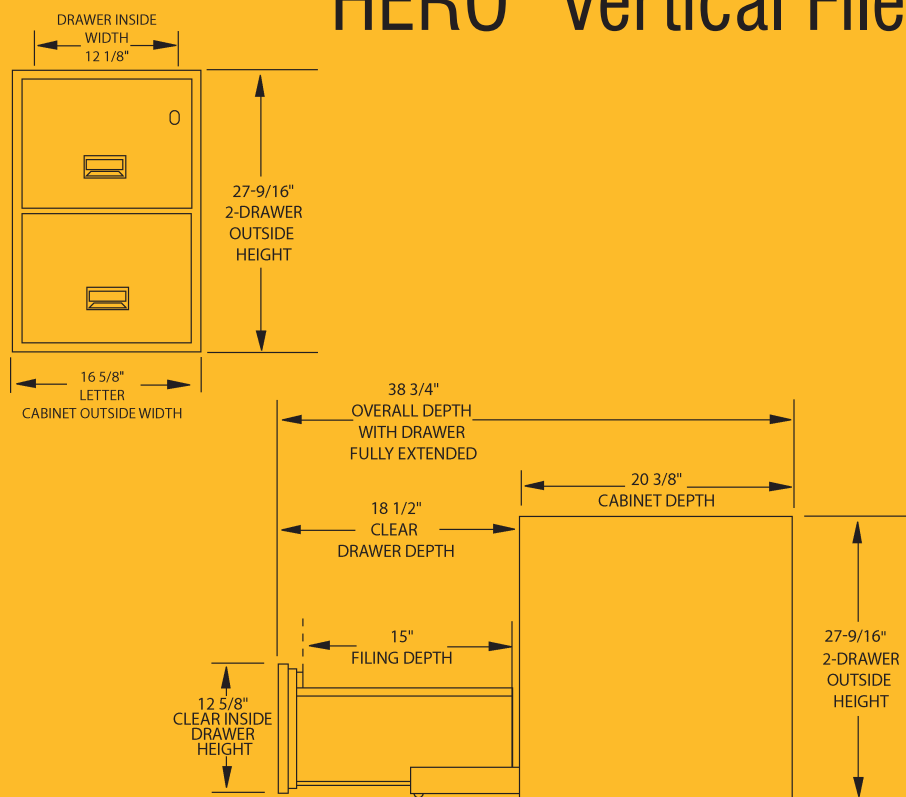

Lock/No Lock Mechanism

This convenient mechanism allows the user to enable a drawer to stay unlocked while other drawers remain locked.

Recessed Handles

Only Schwab's recessed handle design provides easily viewed angled label holders without sacrificing fire resistance, or requiring additional clearance for the front of the file.

SCHWAB® Series 2000 HERO® Vertical Files

Colors

Schwab's standard putty color has been carefully chosen to meet the discriminating tastes of the world's top designers and decorators.

Finish

The Schwab smooth, glossy finish gives the Schwab file a scratch, scuff and stain resistant surface, similar to that found on an upscale automobile.

Lifetime Warranty

Schwab warrants that it will repair or replace any file part manufactured by Schwab that fails in normal use as a result of defects in materials or workmanship free of charge for as long as the original registered purchaser owns the file.

Lifetime Free After-the-Fire Replacement Warranty

In the event this file is damaged by fire while in the possession of the original purchaser as shown on the warranty registration card, Schwab warrants that it will replace the file free of charge.

Customer Service and Support

We want to talk to you. At Schwab, we still value the importance of person-to-person contact. From placing your order, to calling for technical support, at Schwab Corp. there will always be a person on the other end of the phone. Just another way Schwab Corp. believes in providing the best service possible.
